

THE ASSISTANT SECRETARY OF THE NAVY FOR AIR  
Washington

OIR-112-pjs

3 April 1946

U. S. Civil Service Commission  
Washington 25, D. C.

My dear Commissioners:

Reference is made to the Commission's letter of 8 March 1946 regarding revision of Schedules A and B of the Civil Service Rules, and also to the Navy Department reply to this letter dated 29 March 1946, which was prepared in time to meet the requested deadline of 1 April 1946 for these recommendations.

Subsequently, by memorandum of 2 April 1946, the Chief of Naval Operations requested that all civilian appointments to positions assigned exclusively to Central Intelligence Group Activities be placed under Schedule B of the Civil Service Rules. This request is based on the fact that the work performed by the Central Intelligence Group will be of a secret nature. To be included are all positions of a clerical, research, planning, or administrative nature.

It is therefore requested that in addition to the recommendations made in the Navy Department's letter of 29 March 1946 on this subject, the following be included as paragraph 3 of Section VIII of the new revised edition of Schedule B:

- "3. Positions assigned exclusively to Central Intelligence Group Activities."

Sincerely yours,

/s/ John L. Sullivan
